OVER 55 GROUP

So far, everyone who has talked to me about our first meeting really enjoyed it. I think that is because we had a really great group of folks there. Our first meeting had 37 attendees and the fellowship in Christ's presence was a great beginning for the new relationships we will build. There were quite a few who told me that they wanted to be a part of our group but already had commitments. Currently the list is up to 53.

We will be meeting again this Sunday. At the last meeting it was suggested that this meeting would be after late service and that we would bring a bag lunch. If you have not added your name to the list to be a part of the group and wish to join us, bring a bag lunch and join us. We will be using this meeting for planning, naming our group and fellowship. If you want more information contact me (Danny Hundley) at DannyHundley@aol.com or at (217) 377-4109.

HOUSE DEMOLITION

Goodbye House, Hello Fellowship Hall! One of the first steps in the building of our new fellowship hall is the demolition of the house and detached garage. The Board of Trustees has contracted with Harvey Brothers to do this work with an anticipated start the week of September 2nd. As all the proper permits are acquired, we will be able to provide an exact date. Stay tuned!

How does the Holy Spirit help the Church today?"

MISSIONS

PERSONAL HYGIENE KITS We will be collecting regular-size bath towels, washcloths, bath-size bars of soap, and adult-size toothbrushes for assembling personal hygiene kits. All items are to be in new, unused condition & preferably dark colors for the towels & washcloths. **Oversized, plush towels cannot be used.** This year we will be donating the kits to Orphan Grain Train. OGT was started by Rev. Ray Wilke and his wife with the help of some Missouri Synod Lutheran volunteers. It has grown to be an international organization that helps those who are less fortunate and provides disaster relief in the U.S. and around the world. The headquarters is in Norfolk, Nebraska, but there are 26 warehouses and collection centers in the U.S., including one in Wichita, KS. More information about Orphan Grain Train can be found at www.ogt.org. Please place your donations in the large wooden donation box in the narthex. We will add the towels to the display. Our goal is to be able to donate at least 100 hygiene kits. Any questions, contact Deb Hodnik, Gina Raetzel or Charlotte Hundley.

STEWARDSHIP CORNER

The foundational truth for our stewardship is that God is the owner. We are stewards, not owners. He has created all things, and He has never relinquished His control and ownership over His creation. We may verbally acknowledge God's ownership with our lips, but do our actions show that we act as owners rather than stewards? As God's stewards, we have the responsibility to seek to determine what God wants us to do with what He entrusts to us. May we not only seek to know God's will but may we also desire to do it.

IN SPITE OF OUR UNWORTHINESS, GOD HAS CHOSEN US IN CHRIST TO BECOME HIS STEWARDS.

"You did not choose Me, but I chose you and appointed you that you should go and bear fruit and that your fruit should abide..." (John 15:16).
