STEWARDSHIP

STEWARDSHIP CORNER

Richard Halverson had this to say about money referenced in the Bible: "Jesus Christ said more about money than about any other single thing, because, when it comes to a man's real nature, money is of first importance. Money is an exact index to a man's true character. All through Scripture there is an intimate correlation between the development of a man's character and how he handles his money." Jesus had a purpose for talking so much about money. He saw in money a very dangerous and threatening obstacle to those who are called to be His followers. He said it was more difficult for a rich man to go to heaven than a camel to go through the eye of a needle (Luke 18:25). By the frequency with which Jesus talks about money we realize that we need to be careful about the effects money can have on our lives. As the Apostle Paul wrote, *"The love of money is a root of all kinds of evils"* (1 Timothy 6:10).

GENEROSITY IS CONTAGIOUS BECAUSE CHEERFUL GIVERS ARE INSPIRING.

"Then the people rejoiced because they had given willingly, for with a whole heart they had offered freely to the Lord" (1 Chronicles 29:9).
