SINCE JULY 4TH, 1776, THE UNITED STATES HAS BEEN THE LAND OF THE FREE.

Father, thank You for the freedom we enjoy in our country. But thank You more for the freedom Jesus Christ won for us all. Amen.

Stewardship Corner

The Fourth of July is a patriotic and festive holiday celebrated throughout our country. As a country, we declared our independence from England on July 4, 1776. We fought the British in a war for the next few years, until the British surrendered at Yorktown, Virginia, on October 19, 1781, effectively ending the war. George Washington became the first president of the United States in 1789. By God’s grace through Jesus, we are so very blessed to be citizens of a country with all its freedoms. We can attend worship services and Bible studies without the threat of punishment or death. Let us not take our freedoms for granted but thank God daily for our great country and its wonderful freedoms.
