## SUNDAY SCHOOL

In today's lesson, "Return to Rebuild," after returning from exile, the children of Israel gather to begin rebuilding the temple. They start making sacrifices as soon as the altar is rebuilt, even though the temple foundations await repair. Ezra reads from the Book of the Law as the people humble themselves before the Lord. When the labors of rebuilding are complete, the Levites assign men to regular service in the temple.

### STEWARDSHIP

#### STEWARDSHIP CORNER

Perhaps at one time we had little more than a passing interest in spiritual things. Then, as the Holy Spirit worked in us through God's Holy Word and Sacraments, our commitment deepened. An intimate relationship with Jesus developed and was manifested by the use of our time, talents, and money for His purposes. We willingly started devoting time daily to the reading of God's Word as well as spending time with Him in prayer. We found ourselves eager to attend weekly church services and Bible studies so we could worship the Lord and receive His nourishment. A desire to commit a generous portion of our money to the Lord through giving to our churches and to others was born in us. Our lives and blessings were turned over to God to be used in His service.

**STEWARDS ARE TOOLS IN GOD'S HANDS TO DO HIS WORK.**

"For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them" (Ephesians 2:10).
