Within the last couple of weeks, keypad locks were installed on the fellowship hall kitchen doors. We wanted to make sure that BSLC members know this is is not to prevent accessibility for our members. The locks were added as outside group use has increased and to ensure BSLC space and items are well cared for and maintained. Any member can have access to the kitchen. For the code, please text Pastor Schultz, any trustee, elder, or BSLC staff. The code is not posted here as this is a public document on our website.

SUNDAY SCHOOL

"A Basket of Hope" is today's lesson in which participants explore the birth of Moses. Three hundred years after the death of Joseph, Egypt's new pharaoh despises the Hebrews. Pharaoh demands greater work output from the Hebrew slaves while seeking to reduce their population through infanticide. Moses' mother manages to hide baby Moses until he is three months old, when she finally sets him afloat in a basket. Discovered by Pharaoh's daughter, Moses enters a life of privilege.

STEWARDSHIP

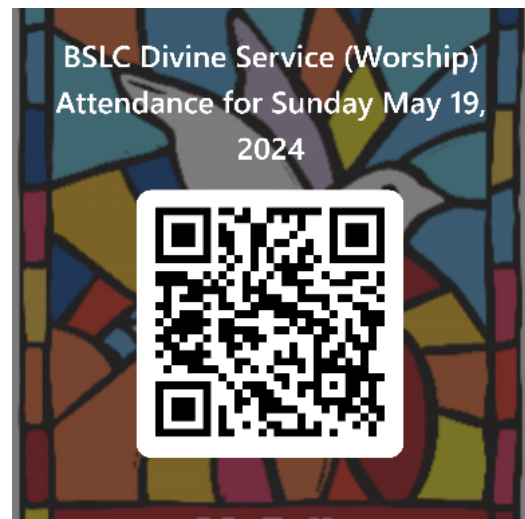

STEWARDSHIP CORNER

We read in 1 Peter 4:10, "As each has received a gift, use it to serve one another, as good steward of God's varied grace." God wants us to use the talents and abilities that He has given us the best way we can. Paul said, "Whatever you do, work heartily, as for the Lord and not for men..." (Colossians 3:23). With God's

help, we can begin and live each day with the joy and vigor that come from hearts filled with thanksgiving to God for His love, His guidance, His presence, and His strength in whatever we do. The world does notice how we work, does hear how we speak, and does watch how we behave. Let us help people see the love of the Lord through us.

GIVING IS AN OPPORTUNITY TO PASS ALONG THE JOY OF OUR FAITH IN CHRIST.

"You will be enriched in every way to be generous in every way, which through us will produce thanksgiving to God" (2 Corinthians 9:11).
