SUNDAY SCHOOL

This week in our Christian education time, we discuss "Claimed and Tested." At Jesus' Baptism in the

Jordan River, the heavens open, the Spirit descends, and the Father speaks: "You are My beloved Son" (Luke 3:22). Jesus goes from the waters of Baptism to the wilderness, where He faces a series of temptations from the devil. Jesus resists each one as He speaks the truth of God's Word against the lies of Satan. Ask one another, "How can we use God's Word as we defend our faith?"

PRESCHOOL

THIS WEEK

It's hard to believe that we are now 4 weeks into our school year! Classroom routines are in place, friendships are forming, and lots of fun learning is happening within our play-based environment. This week our children are learning about the story of Noah's Ark and how God protected Noah, his family, and 2 of every animal when He flooded the world. Mrs. Schultz shared this story with each class using our school flannel board in each classroom. Pastor Ada also shared the story at chapel this week with the children.

BSLP parents were invited to join us for our community training on Thursday evening entitled, "Empower Safe Adults." This training was held Thursday evening to help us learn how we can help prevent and safeguard our children against child exploitation. We are grateful for this community opportunity to be educated about this timely topic.

STEWARDSHIP

STEWARDSHIP CORNER

When our houses are built on solid footings of rock or concrete, they won't be affected by the wind and rain (Matthew 7:24-27). In the same way that concrete supports houses, God's Word, when received and applied in our lives, supports and strengthens us. With God's presence, we can withstand the storms of life. In contrast, foolish people rely on themselves and, therefore, don't put God's Words into practice. Their lives are like the house built on sand. There is no strength and support for life's problems. With the work of the Holy Spirit through God's Word, we are not only empowered to withstand challenges in our lives, we are prompted to tell others about God's wonderful blessings.

SATAN USES MONEY AND POSSESSIONS AS A PRIMARY MEANS OF TURNING HEARTS AWAY FROM GOD.

"No one can serve two masters, for either he will hate the one and love the other, or he will be devoted to the one and despise the other. You cannot serve God and money" (Matthew 6:24).

The Calling of a
Generation

**HERE IS WHAT
YOU NEED TO
KNOW ...**

HELLO,

1,000 Young Leaders is a Christian leadership training and coaching initiative that is designed to help you find out who God has made you to be, and to empower you to start and lead communities where anyone can encounter Jesus

When young leaders are called and equipped to lead, the Gospel is extended into the places only they can reach. We want young adult leaders to dream, respond, and discern God's mission as they participate in the renewal of their lives, neighborhoods, cities, and beyond. Throughout history, we have seen the church experience massive cultural shifts that have led to a shrinking church. We believe generations like millennials and Gen Z will pave new territory for the Church by reproducing communities where anyone can experience Jesus.
