TRUSTING GOD

IN THE PAST AND PRESENT

Beautiful Savior Lutheran Church has always been a congregation that has sought to "Connect People to Jesus as We Gather, Grow, and Go." Our **trusting hearts in the past** have led us through blessings and trials as our Savior, Jesus, has accomplished more than we could have ever asked or imagined.

Lives have been **transformed**, marriages and families have found **wholeness**, individuals have **grown in their faith**, ministries have flourished, and **God's message of love and grace has been shared** in our community, surrounding counties, and around the world.

Today, **THE LORD'S MINISTRY IS THRIVING IN THIS PLACE** but it is also impeded in many ways by a **LACK OF SPACE**.

Having **trusting hearts in the present** will again be our guiding principle as we seek to expand the facilities of Beautiful Savior. Our prayer is that we will acknowledge Him in everything we do and walk in the path of mission and ministry He lays straight before us.

As you continue to learn more about the **TRUSTING HEARTS** Capital Campaign, we invite you to **prayerfully consider** how you and your family can participate in this next step in the life of our church.

PHASE 1: AS SEEN FROM THE WEST ELEVATION

OUR HISTORY

PASTOR JOEL SCHULTZ

Dear Friends in Christ: **TRUSTING HEARTS** is more than just the theme for our Capital Campaign. It is a reality of our future as individuals and as a family of faith. As we **trust in the Lord with all our hearts**, not leaning on our own understanding, we seek to **acknowledge** the Lord as our God and Savior and seek to walk the **path** of mission and ministry He lays **straight** before us. (See our theme verses: Proverbs 3:5-6.)

With **TRUSTING HEARTS**, we will have opportunities to celebrate what God has done and continues to do among us. We will find ourselves getting excited about our future possibilities in the areas of mission and ministry. We will work together, grow together and pray together as we see the Lord open more opportunities for others to acknowledge Him.

With **TRUSTING HEARTS**, I invite you to be blessed and to be a blessing as we commit ourselves to this Capital Campaign process over the next 10 weeks. Together we will seek to use our time, our unique talents and our bountiful gifts to be a part of the Lord's plan as His gives opens more doors for ministry at Beautiful Savior.

In Christ's Love and Service

CAMPAIGN DIRECTOR TRENTON TRAVIS

Dear Brothers and Sisters in Christ: Thank you for taking time to learn more about the **TRUSTING HEARTS** Capital Campaign! Proverbs 3:5-6 is the inspiration for our campaign, and these verses are just as relevant today as they were thousands of years ago when Solomon wrote these words of wisdom from God.

Over the past several weeks, we have cleared out the house and made a few changes in our main facility. As we emptied drawers and boxes, we came across countless photos of events that have taken place over the last 25 years at Beautiful Savior.

It was amazing to see the faces of members that were a part of the congregation since the beginning. Time has had an effect on many of the faces in these photographs. Some are more wrinkled. Some have gray hair. What hasn't changed, however, is the love for Jesus that shines like a light from these faces! You can see the **trusting hearts** through the eyes of members captured in photos more than 25 years ago. Our congregation "Trusted in the Lord with all their heart" back then, and that **trust** in Him has brought us to this very moment in time as we look forward and build the Phase 1 fellowship and classroom expansion!

How can you make an impact? I urge you to pray and discuss with your family how your household can be involved. First, please pray for the Lord's continued guidance during this Capital Campaign, for the leadership team and all their volunteers, and for success. Also, pray and study God's Word to gain insight into how God has blessed you and your family to contribute your financial resources to the **TRUSTING HEARTS** Capital Campaign.

SEPT. 1995

Current structure (built primarily by members of Beautiful Savior) is dedicated.

JUNE 1997

SEPT 2001

During our **28-year history**, the Lord has blessed us with faithful pastors, the opportunity to train 11 wonderful vicars for the ministry, a growing membership, growing staff, and growing ministry opportunities.

God continues to do more by providing opportunities to connect people to Jesus as we continue to strengthen our commitment to teaching children (Sunday school and preschool) the faith, training future pastors, helping the needy in our community, fulfilling mission endeavors in Guatemala and Alaska, and immeasurably more.

As we **seek to connect people to Jesus**, we have identified a phased building expansion plan. These phases address spaces necessary for growth now and – God willing – into the future.

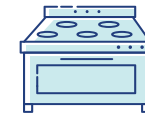

BEAUTIFUL SAVIOR TODAY

UPPER LEVEL

NEW FELLOWSHIP HALL

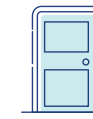

Enough space to comfortably seat 600+

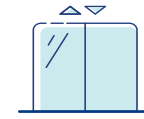

Commercial-grade kitchen with improved service and prep areas

Full-size high school basketball court

Ample storage space for tables and chairs along with a kitchen pantry

Single elevator to the lower level

IMAGINE GREATER OPPORTUNITIES FOR PLAY

The new fellowship hall will **double as a gymnasium** featuring a **full-size high school basketball court** giving youth from our congregation and community the opportunity to **play sports, do team-building activities and have fun**. This indoor recreation area will also provide much-needed space for **preschoolers to play on cold winter days**, plus room to **expand our Vacation Bible School, Mothers and Preschoolers** and other community outreach programs.

IMAGINE GREATER OPPORTUNITIES FOR CONNECTION

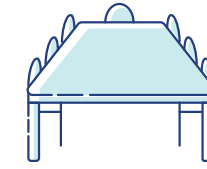

Picture a space **filled with laughter, meaningful conversations and nourishing food as family and friends gather** to catch up or celebrate new life seasons. With the new fellowship hall, you could host a **family reunion, a community potluck or your daughter's wedding reception** right here of Beautiful Savior. The commercial-grade kitchen will provide **greater flexibility for hosting large formal or informal events**, and the multi-functional space will open up more opportunities to **welcome people with the love of Jesus**.

LOWER LEVEL

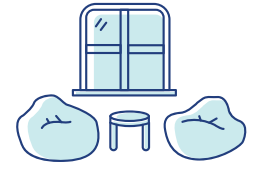

NEW YOUTH AND EDUCATION SPACES

8 additional classrooms

Flexible office or meeting spaces

Dedicated youth space
(3x the size of the current space)

REPURPOSED SPACE

Imagine greater opportunities for preschoolers. The eight new classrooms will allow us to turn the existing lower level conference room, northeast classroom and northwest classroom into additional space for our preschool ministry. This additional space will help us continue to attract new families and connect with our community in more ways.

Imagine greater opportunities for the music ministry. With a new kitchen upstairs, the current kitchen will be converted into a much-needed storage space for our music ministry. Having a consolidated, dedicated storage area for the nine choirs that regularly participate in our services will provide the ministry with a space that makes sense for frequency of use during services.

IMAGINE GREATER OPPORTUNITIES FOR OUR YOUTH

Our teenagers will have a dedicated space to call their own. Rather than having to walk through the rain and cold to the house like they have in the past, our youth will *know* they are a priority to our congregation when they walk through the doors. Our prayer is that the new youth room will be a place teens feel known and loved as they enjoy more space to study, grow and have fun together. We believe in our youth, and we want to see them thrive as the young men and women God has created them to be.

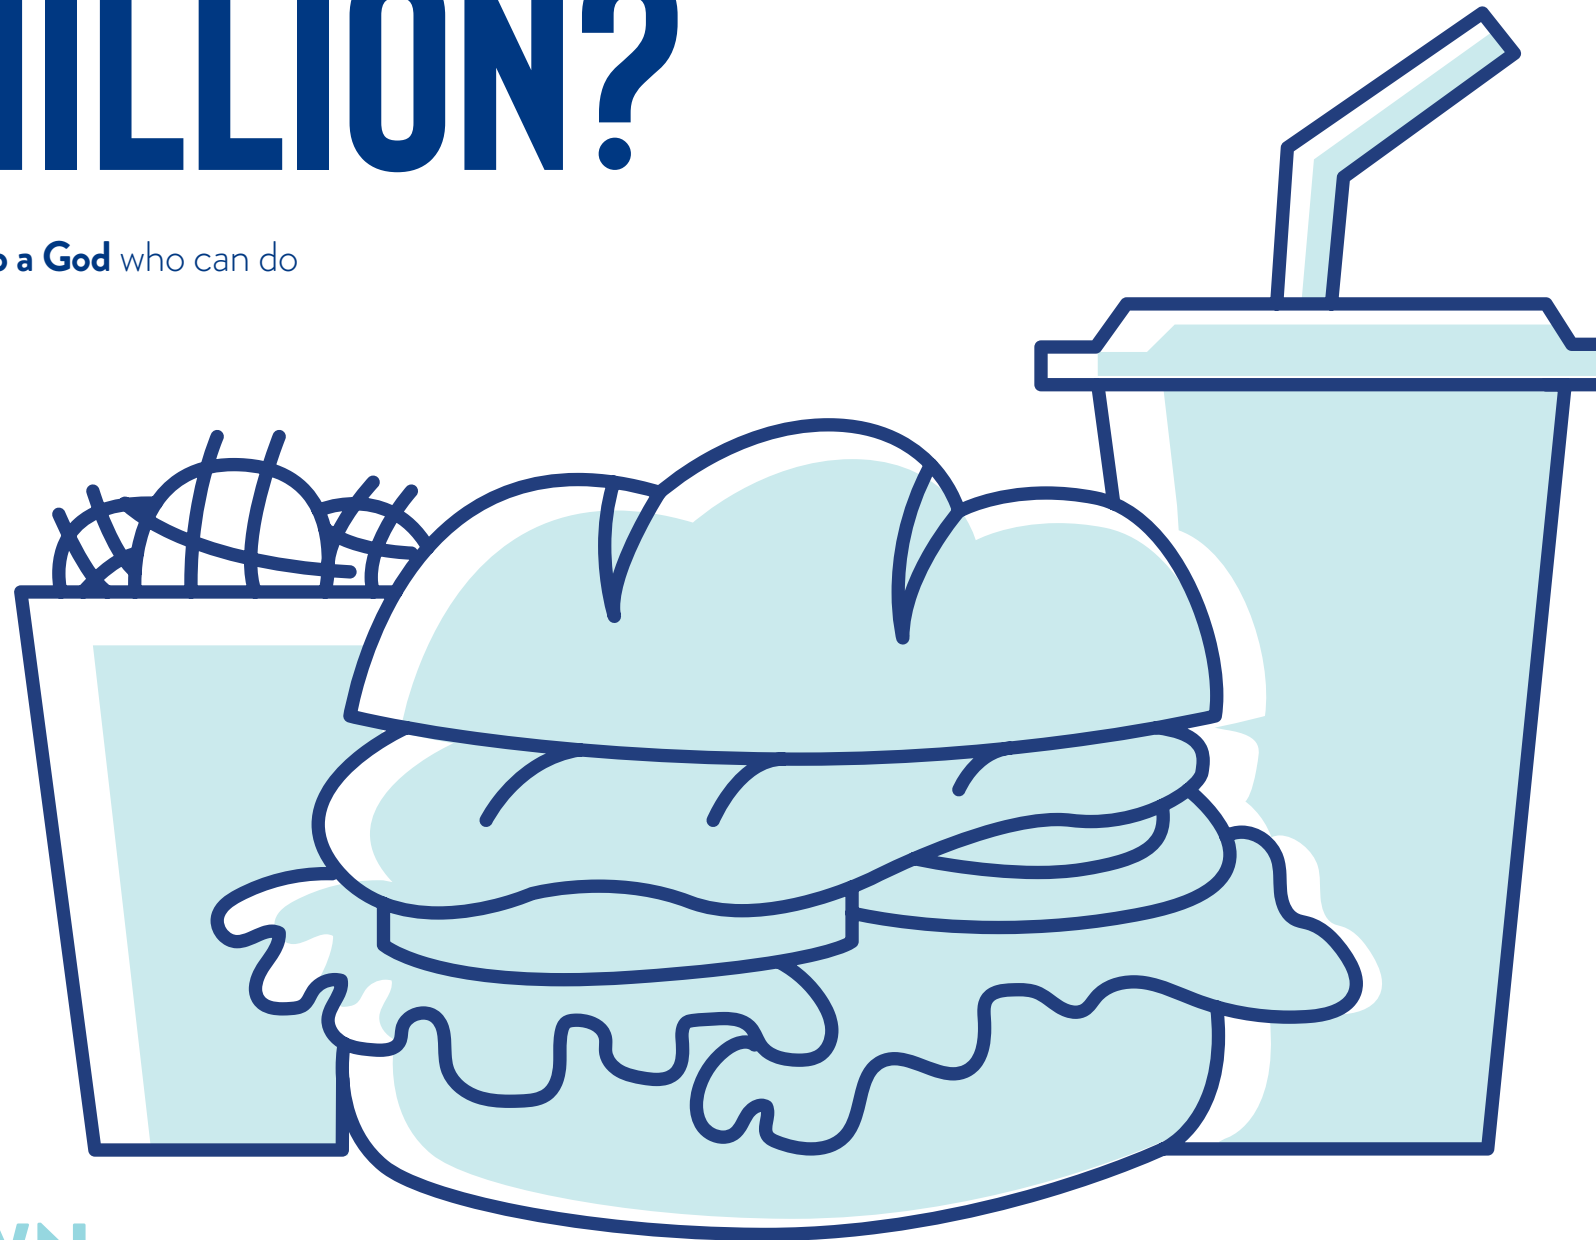

IMAGINE GREATER OPPORTUNITIES FOR EDUCATION

The eight additional classrooms will be put to good use week after week, allowing us more space and flexibility for Sunday school, confirmation, VBS, MOPs, meetings, and other activities.
